Ribbon Cutting 2:00 pm

*Come for refreshments, information, and conversation!*

Logo design and branding, magazine and newspaper advertising design, business cards, posters, brochures, flyers, business and annual reports, restaurant menus, signage, CD cover design,...and just about anything that ends up in print!

MONA - Graphic Design and Art is owned and operated by Mona McClintock, LGDC. She has been a professional graphic designer for 8 years, and is licensed through the Society of Graphic Designers of Canada ([www.gdc.net](http://www.gdc.net)). Her past experience in "customer-facing" businesses gives Mona a terrific understanding of what the small to medium sized business client requires. MONA specializes in print design and creates custom-designed art for residential and commercial interiors. MONA has great affiliate partners for web and media work.
